

Appendix A

Required Materials:

- Music files in 1 folder per album in file type:
 - WAV – (Please indicate the sample and bit rate)
- 6 photos of you and/or the band in the highest resolution. At least 3 photos must be a minimum of 2000 pixels wide.
- Artist bio (If this is your first music submission)
- Album notes (What is this album about?)
- If your music has lyrics, please write them on a lyric sheet. This helps us to correctly catalog your songs and get your music into content specific searches.

Please send us a link to a Google Drive folder or WeTransfer file for downloading the files and materials.

Disclosure

Please complete the following:

1. All of the works and material, including samples, in this Appendix are my original compositions and not a cover or sample of another artist's material. **Yes / No**
2. Have any of the songs in this Appendix been released by a label, distributor or any other person or institution that could make a copyright claim of their own or on your behalf – including copyrighted samples? **Yes / No**
3. Are you currently registered with a PRO, if so whom? ACUM
4. Are the songs listed in this Appendix available for licensed, monetized use by the site's clients and are not monetized by you or a third party in YouTube's Content ID system or any other media platform? **Yes / No**

Artist Signature

Appendix A

Please list the songs for this album (maximum 15 full versions), including the artist and album name as they should appear publicly. Alternative versions of a full song (i.e. instrumental, stripped, etc.), should be listed under the full song version. Alternative versions do not count as one of the 15.
